COLLEGE ADVISING SERVICES

- Initial Consultation**
 - Prior to initial consultation, Marcia Kramer will review student records, college testing, psychoeducational evaluations and any other relevant social, emotional, and academic information
 - 1 1/2 hour meeting to discuss student's strengths and learning needs appropriate to college placement

- Limited Plan**
 - Initial consultation to discuss student's goals, plans and aspirations
 - Presentation of list of approximately 15 colleges based on academic, social, emotional and geographic parameters
 - Meeting to narrow choices on list to a realistic, "best fit" group of potential schools

- Comprehensive Plan**
 - Initial consultation to discuss student's goals, plans and aspirations
 - Up to 25 hours of one-on-one time with student (includes in-person, phone calls, and email contact)
 - Presentation of approximately 15 colleges based on academic, social, emotional and geographic parameters
 - Ongoing discussion to narrow list to realistic, "best-fit" potential schools
 - Recommendations of appropriate admissions testing and academic programs
 - Assistance with essays
 - Preparation for college interviews if necessary
 - Supervision of final application submissions
 - Final consultation to analyze college responses and assist in final enrollment decision

- Transfer Students**
 - Assistance with transfer choices and applications following first college placement
